

# Rehoboth Veterans Memorial

## *Buy A Brick Program*

We will be selling bricks to be placed in two locations of the memorial:

**(1) the brick ramp (red highlight) -** reserved for any veteran who has served the United States. If you would like your brick placed in the memorial ramp, please complete the brick in the same format as the veteran example below and please also fill out the bottom portion of this form.

**(2) walkway leading to the memorial (yellow highlight) -** area to purchase bricks to recognize friends, family, supporters, businesses, etc.

Each brick may contain up to three lines of no more than 16 characters per line. Text will be centered and capitalized. All orders are subject to approval and the installation of the bricks will take place once construction of the memorial is completed. Please also considering making a Patriot Pledge to help us construct the memorial.

\*The memorial outer circle (non-highlighted brick area) will feature the names of veterans who lived in Rehoboth at the time of service. The committee will purchase the bricks and place them in the appropriate conflict dedication area.
